Independent Auditor's Report

To the Board of Directors Arts & Business Council of Chicago Chicago, Illinois

Report on the Financial Statements

We have audited the accompanying financial statements of Arts & Business Council of Chicago, which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Arts & Business Council of Chicago as of December 31, 2020, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Note 1 - Principal Activity and Significant Accounting Policies

Organization and Nature of Activities

Arts & Business Council of Chicago (the "Council") is a not-for-profit corporation incorporated in 1985 with the mission to develop leadership, the business of arts and the art of business in Chicago. The Council is a chapter of the Arts and Business Council of Americans for the Arts, the largest management support organization for arts in the United States. The Council achieves its mission by:

- Lending expertise through year-round seminars and educational programs that help arts professionals and their boards master the businesses of the arts.
- Providing support through a comprehensive array of business assessment and advisory services to help non-profit arts organizations grow and thrive.
- Facilitating partnerships with businesses by training and placing executives on the boards of non-profit arts organizations, and teams of business professionals on pro bono management consulting projects.

Basis of Accounting

The Council's accounts are maintained on the accrual basis of accounting. Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Net assets and changes therein are classified as follows:

Net Assets Without Donor Restrictions - Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has not designated any amounts from net assets without donor restrictions as of December 31, 2020.

Net Assets With Donor Restrictions - Net assets subject to donor-imposed or certain grantorimposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donorimposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Note 1 - Principal Activity and Significant Accounting Policies (Continued)

Cash and Cash Equivalents

The Council considers all cash and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to building projects, endowments that are perpetual in nature, or other long-term purposes are excluded from this definition.

Receivables and Allowance for Doubtful Accounts

The Council records unconditional promises to give that are expected to be collected within one year at net realizable value. Generally accepted accounting principles prescribe unconditional promises to give expected to be collected in more than one year to be initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset; in subsequent years, amortization of the discounts is included in contribution revenue in the statement of activities. As the present value adjustment does not apply to the Council, unconditional promises to give expected to be collected in more than one year are recorded at net realizable value and not at present value.

The Council determines the allowance for uncollectible promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectible.

Fixed Assets

The Council records fixed asset additions over \$3,000 at cost, or if donated, at fair value on the date of donation. Depreciation and amortization are computed using the straight-line method over the estimated useful lives of the assets of 3 - 7 years, or in the case of capitalized leased assets or leasehold improvements, the lesser of the useful life of the asset or the lease term. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the statement of activities. Costs of maintenance and repairs that do not improve or extend the useful lives of the respective assets are expensed currently.

Note 1 - Principal Activity and Significant Accounting Policies (Continued)

Fixed Assets (Continued)

The Council reviews the carrying values of fixed assets for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the year ended December 31, 2020.

Interfund Balance

In an effort to increase transparency and to simplify its financial statements, the Council presents its statement of financial position on a fund basis which comprises of the following funds: Net Assets with Donor Restrictions and Net Assets without Donor Restrictions. As of December 31, 2020, no interfund payables or receivables exists between the Net Assets without Donor Restrictions Fund and the Net Assets with Donor Restrictions Fund.

Deferred Revenue

Exchange transactions in which a reciprocal transfer of assets occurs are recorded as deferred revenue if a corresponding performance obligation is yet to be fulfilled by the Council.

Revenue Recognition - Grants and Contributions

Contributions received and unconditional promises to give are measured at their fair values and are reported as an increase in net assets. Conditional promises to give are not recognized until they become unconditional. The Council reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor-imposed contributions whose restrictions are met in the same reporting period are reported as net assets without donor restrictions. Net assets restricted for acquisition of buildings or equipment are reported as net assets with donor restrictions until the specified asset is placed in service by the Council when the restrictions are released.

Note 1 - Principal Activity and Significant Accounting Policies (Continued)

Revenue Recognition - Registrations and Sponsorships

The Council typically hosts events and meetings during the course of the year. Registration fees for these events are billed to the participant at the time of registration. The event revenue is reported at the amount that reflects the consideration to which the Council expects to be entitled in exchange for providing the registrant access to the event and event materials. Revenue from these events are recognized at the point in time the event is held and the Council's performance obligation to hold the event is completed. The Council also provides members the opportunity to sponsor their events. Event sponsors pay for sponsorship packages for events in exchange for access for their representatives to the event itself, access to the event materials, and access to the members attending the events to promote their own businesses. Registration and sponsorships for the Council's events open months before the events are scheduled to be held. Cash receipts for registrations and sponsorships collected in advance of the events and meetings are deferred as contract liabilities until the event is held, at which point revenue is recognized.

Revenue Recognition - Program Fees

Program fees are reported at the amount that reflects the consideration to which the Council expects to be entitled in exchange for services. The Council bills for services prior to the delivery of services. Revenue is recognized as the underlying performance obligations are satisfied. Performance obligations are determined based on the nature of the services provided by the Council. Revenue for performance obligations satisfied over time is recognized based on actual charges incurred in relation to total expected (or actual) charges.

Income Taxes

The Council is exempt from Federal and State income taxes under Section 501(c)(3) of the Internal Revenue Code, therefore, the financial statements do not include a provision for income taxes. The Council reviews income tax positions taken or expected to be taken in income tax returns to determine if there are any income tax uncertainties. This includes positions that the entity is exempt from income taxes or not subject to income taxes on unrelated business income. The Council recognizes tax benefits from uncertain tax positions only if it is more likely than not that the tax positions will be sustained on examination by taxing authorities, based on the technical merits of the positions.

Note 1 - Principal Activity and Significant Accounting Policies (Continued)

Income Taxes (Continued)

The Council has identified no significant income tax uncertainties. The Council files information returns as a tax-exempt organization. Should that status be challenged in the future, all years since inception could be subject to review by the IRS.

Functional Expense Allocation

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The Council allocates functional expenses mainly on the basis of estimates of time and effort.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Advertising costs

The Council uses advertising to promote its programs among the audiences it serves. The costs of advertising are expensed the first time the advertising takes place, except for direct-response advertising, which is capitalized and amortized over its expected period of future benefits. The Council had no direct-response advertising during the year ended December 31, 2020.

Financial Instruments and Credit Risk

The Council manages deposit concentration risk by placing cash, money market accounts, and certificates of deposit, when applicable, with financial institutions believed to be creditworthy. At times, amounts on deposit may exceed insured limits. To date, the Council has not experienced losses in any of these accounts.

Note 1 - Principal Activity and Significant Accounting Policies (Continued)

Financial Instruments and Credit Risk (Continued)

Credit risk associated with receivables and promises to give is considered to be limited due to high historical collection rates and because substantial portions of the outstanding amounts are due from reputable donors highly supportive of the Council's mission. When applicable, although the fair values of investments are subject to fluctuation on a year-to-year basis, the Council believes that the investment policies and guidelines are prudent for the long-term welfare of the Council.

The loans and accrued interest are forgivable after eight weeks as long as the borrower uses the loan proceeds for eligible purposes, including payroll, benefits, rent and utilities, and maintains its payroll levels. The amount of loan forgiveness will be reduced if the borrower terminates employees or reduces salaries during the eight-week period. The unforgiven portion of the PPP loan is payable over two years at an interest rate of 1%, with a deferral of payments for the first six months. The Council intends to use the proceeds for purposes consistent with the PPP.

Note 9 - In-Kind Donations

Donated Services, Donated Goods and Donated Space

As prescribed by generally accepted accounting principles, donated services are recognized as revenues at their estimated fair value when they create or enhance nonfinancial assets or they require specialized skills which would need to be purchased if they were not donated. Volunteers with non-specialized skills may contribute amounts of time to the Council's program services, administration, and fundraising activities; however, the financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed by generally accepted accounting principles. For the year ended December 31, 2020, donated services that meet the recognition criteria prescribed by generally accepted accounting principles.

Donated goods are recorded at fair value on the date of donation. The Council received \$4,996 of donated goods during the year ended December 31, 2020.

Donated space is recorded at its estimated fair value on the date of donation. The Council received \$4,000 of donated space during the year ended December 31, 2020.

Of this amount, \$46,679 of financial assets are subject to donor timing or purpose restrictions, excluding general operation restrictions, expiring within one year. No other contractual restrictions exist that make current financial assets unavailable for general expenditure within one year of the balance sheet date. As of December 31, 2020, the Council does not expect that its liquidity will deteriorate.

Financial assets available within one year of the balance sheet for general expenditures comprise of the following:

Note 12 - Upcoming Accounting Pronouncements

In February 2016, the FASB issued ASU No. 2016-02, *Leases*, which will supersede the current lease requirements in ASC 840. The ASU requires lessees to recognize a right-of-use asset and related lease liability for all leases, with a limited exception for short-term leases. Leases will be classified as either finance or operating, with the classification affecting the pattern of expense recognition in the statement of activities. Currently, leases are classified as either capital or operating, with only capital leases recognized on the statement of financial position. The reporting of lease-related expenses in the statement of activities and cash flows will be generally consistent with the current guidance. The new lease guidance will be effective for the Council's year ending December 31, 2022 and will be applied using a modified retrospective transition method to the beginning of the earliest period presented. The new lease standard is not expected to have a significant effect on the Council's statement of financial position.

Note 13 - Risks and Uncertainties

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) originated in Wuhan, China and has since spread to other countries, including the U.S. On March 11, 2020, the World Health Council characterized COVID-19 as a pandemic. The Council has been able to continue limited operations during the pandemic. Employees in sales and marketing, and other non-essential on-site departments have been asked to work remotely. The Council has also been forced to postpone all in-person events, including its annual in-person fundraiser.

Note 13 - Risks and Uncertainties (Continued)

As the Council's operations and mission are dependent on programming, future potential impacts may include continued programming disruptions or restrictions on the Council's employees' ability to work and impairment of the Council's ability to obtain contributions and volunteers.

Note 14 - Subsequent Events

The date to which events occurring after December 31, 2020, the date of the most recent balance sheet, have been evaluated for possible adjustment to the financial statements or disclosure is August 10, 2021, which is the date on which the financial statements were available to be issued.

Subsequent to December 31, 2020, the Council's PPP note payable discussed in Note 6 was fully forgiven by the Small Business Administration.
